

# CONCISE CURRICULUM VITAE

**Dr. Alireza Nikouei**

January, 2016

## **1. PRIVATE INFORMATION**

**First name:** Alireza      **Last name:** Nikouei    **Sex:** Male      **Date of birth:** 6 Sep., 1971  
**Place of Birth:** Esfahan city, Iran    **Nationality:** Iranian      **Marital status:** Married  
**House Address:** #45, Ataolmolk Alley, Charbaghe-Bala St., Isfahan, Iran – Post ID: 8173753311  
**Email:** [anikooie@yahoo.com](mailto:anikooie@yahoo.com)    **House Phone:** +98 (31) 3626 8324    **Cell Phone:** +98(913)116 2826

## **2. PROFESSIONAL INFORMATION**

**Current Work Address:** Isfahan Research and Education Center of Agriculture and Natural Resources, Amirie Town, Isfahan, Iran- Mailbox 81785-19

**Institution:** Isfahan Research and Education Center of Agriculture and Natural Resources

**Department:** Research Department of Economic, Social and Extension

**Work Fax:** +98 (31) 3775 7022    **Work Phone :** +98 (31) 3775 7201-2

- **Current Position:** Head of Research and Technology Deputy, Isfahan Research and Education Center of Agriculture and Natural Resources, Isfahan, Iran, March 2014- Present.
- Assistant Professor, Isfahan Research and Education Center of Agriculture and Natural Resources, Isfahan, Iran, March 2013- Present.
- Senior Researcher, Isfahan Research and Education Center of Agriculture and Natural Resources, Isfahan, Iran, December 2000-2013.

### **3. EDUCATION**

- B.Sc. (B. A.) in AGRICULTURAL ECONOMICS, SHIRAZ UNIVERSITY (IRAN), 1994
- M.Sc. (M. Phil.) in AGRICULTURAL ECONOMICS, SHIRAZ UNIVERSITY (IRAN), 1998
- Ph.D. (D. Phil.) in WATER ECONOMICS, SHIRAZ UNIVERSITY (IRAN), 2012
  
- **M.Sc. Thesis:** "Economic analysis of crop insurance in Fars province: a case study on wheat and sugar beet, Iran".
  
- **Ph.D. Thesis:** "Integrated economic-hydrologic modeling of water allocation and use in Zayandeh Rud River Basin with emphasis on evaluation of environmental and drought policies"
  
- **International Research Program (Sabbatical):** Department of Environmental Economics, Institute for Environmental Studies, VU University Amsterdam, De Boelelaan 1087, 1081 HV Amsterdam, The Netherlands. *From August 2010 to February 2011, Worked with Prof. Dr. Roy Brouwer:*
